Alex Calzareth  
3444 Stratford Road  
Wantagh, NY 11793

Dear Alex Calzareth:

This is in response to your Freedom of Information Act (FOIA) request received in this office March 17, 2006, regarding the subject: Viktor Glaser.

We have completed the review of all documents responsive to your request and have identified 19 pages which are responsive to your request. Enclosed are seven pages in their entirety, and eight pages in part pursuant to 5 U.S.C. 552 (b)(2), (b)(7)(C), and (b)(7)(E). We are withholding four pages in full pursuant to 5 U.S.C. 552 (b)(2), (b)(5), (b)(7)(C), and (b)(7)(E). In our review of these pages we have determined that they contain no reasonable segregable portions of non-exempt information. The basis for the deletions in part and for withholding pages in full are as follows:

Freedom of Information Act 5 U.S.C. 552 (b)(2)

Exemption (b)(2) provides protection for records that are related solely to the internal personnel rules and practices of an agency. The types of documents and/or information withheld under this exemption may relate to internal matters of a relatively trivial nature, such as internal personnel rules and practices which could consist of employee identification codes, computer login codes, policies regarding the use of parking facilities and break rooms, employee leave policies and dress codes or internal matters of a more substantial nature, the disclosure of which would risk circumvention of a legal requirement, such as operating rules, guidelines and manuals of procedures for examiners or adjudicators.

Freedom of Information Act 5 U.S.C. 552 (b)(5)

Exemption (b)(5) provides protection for inter-agency or intra-agency memorandums or letters, which would not be available by law to a party other than an agency in litigation with the agency. The types of documents and/or information withheld under this exemption may consist of documents containing predecisional information, documents or other memoranda prepared in contemplation of litigation, or confidential communications between attorney and client.

Freedom of Information Act 5 U.S.C. 552(b)(7)(C)

Exemption (b)(7)(C) provides protection for personal information in law enforcement records, which could reasonably be expected to constitute an unwarranted invasion of personal privacy. We have withheld various information relating to third-party individuals. The types of documents and/or information withheld could consist of names, addresses, identification numbers, telephone numbers, fax numbers, or various other documents that are considered personal.

Freedom of Information Act 5 U.S.C. 552(b)(7)(E)

Exemption (b)(7)(E) provides protection for records or information for law enforcement purposes which would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. The types of documents and/or information withheld could consist of law enforcement systems checks, manuals, checkpoint locations, surveillance techniques, and various other documents.

Please note you are receiving the best reproducible copies available.

Please be advised that the National Records Center does not process any type of petition/application or any other benefit under the Immigration and Nationality Act. Therefore, if you have any questions or wish to submit documentation relating to a pending petition/application or any other matter pending with the agency, you must address these issues with your nearest District Office.

In the event you wish to appeal this determination, you may write to the USCIS FOIA/PA Appeals Office, 111 Massachusetts Ave., NW, 2<sup>nd</sup> Floor, Washington, DC 20529, within 60 days of receipt of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

If you should have any additional questions about your request, please direct your inquiries to this office at the above address. You may also call us at 816-350-5570 or fax any correspondence to 816-350-5785.

Sincerely,

T. Diane Cejka  
Director
